335-0004 Hold Harmless**Copied from the Sales and Use Tax Distribution report**

City Hold Harmless – Counties are required to hold eligible municipalities in each county harmless from the repeal of Article 44 previously received by eligible municipalities.

Calculations are made to approximate the amount of Article 44 tax previously received by eligible municipalities.

Effective October 1, 2008, the City Hold Harmless portion of the Distribution was calculated to provide eligible municipalities a replacement amount for the 0.25% of Article 44 that was repealed. Effective October 1, 2009, the calculation for the City Hold Harmless portion of the Distribution was changed to provide eligible municipalities a replacement amount for the final 0.25% of Article 44 that was repealed.

Each month when we closeout, we split the total local Sales & Use Tax collections into the various total components. These components are then calculated for each county.

This allocation is for the countywide level. Next, depending upon the county's distribution method, Per Capita or Ad Valorem, the portion of each county's share of each Article is then split between the county government and the municipalities in that county

335-0014 Fire Dept Revenue

Watauga County "offers" a stipend from the countywide fire tax of \$20,500.00 each year, this is sent directly to the Volunteer Fire Department, Inc. on a monthly basis. 100% of the monies are transferred monthly to the Town per the written agreement. In addition, there are properties within our Fire District in Watauga County and not actually in the Town limits that pay a fire tax directly to Watauga County in the amount of approximately \$2,500.00 per year. These monies are again paid directly to the Volunteer Fire Department Inc. and again are transferred (100%) to the Town when received. The Volunteer Fire Department Inc. keeps detailed records concerning these monies and transfers which are audited each year by Watauga County. Currently Wendel Sauer is the treasurer and handles the receipts and transfers.

Other sources of revenue transferred from the Volunteer Fire Department Inc. to the Town include: NC State Grant in the amount of approximately \$30,000.00 annually and Sales Tax reimbursement received from the State of approximately \$2,500.00

Both of these are transferred at the time they are received, usually in November of each year.
