Dear Skiloft neighborhood homeowners:

Materials which explain next year's Skiloft Infrastructure Project are enclosed. We appreciate the enthusiasm and support of our homeowners for the critical work which must be done. We ask that you partner with us by granting a Temporary Construction Easement (document enclosed) for the time needed to complete the infrastructure replacement and upgrades.

The work is anticipated to take place between April 1, 2024 and September 30, 2024. To keep within that timeframe, we need all signed agreements back by April 15, 2023. After all agreements have been received, the Town will provide each homeowner with a check for \$1000.

Again, thank you for working with us to make these much-needed improvements to infrastructure in the iconic Skiloft neighborhood. Feel free to reach out to me or my staff with any questions you may have.

Sincerely Yours,
